17th April 2020

Dear Parents/Carers

I hope that you had a happy Easter weekend with your families and that you are keeping well during this challenging time.

Following the latest guidance from the government, Wyvil Primary School and Resource Bases for Speech, Language and Communication Needs and Autism, will remain closed for the majority of pupils for at least the next three weeks.

I expect that your children will have completed their work packs by now and are ready for the Term 5 work that their teachers have planned for them. The padlets for each year group are available through the, 'For Parents' tab via the school website, should any family not have access to the internet, then please let the school know and some work can be prepared. Teachers and senior leaders will continue to occasionally make contact by phone for a catch up. Please be aware that their numbers might be blocked. Should you need to contact the school please email office@wyvil.org.uk

Wyvil School has remained open for the children of Key Workers, and children who have an EHCP throughout the lockdown and will continue to do so for Term 5. However, the overriding government guidance remains that, if children can be at home, then they should be.

It has been lovely to see the engagement of families on the school's Twitter account, please do continue to share what your children have been doing, it is very uplifting for us all.

The Wyvil Family remains in my thoughts. I look forward to welcoming you all back to our school when the time is right.

Yours faithfully,

Mr Terrey
Headteacher
