Friday 5th June 2020

Dear Parent/Carer,

As we come to the end of our first week welcoming back children from Reception, Year 1 and Year 6 alongside our continuing provision for children of key worker's, I wanted to update you on how things have been going and thank you all for the part you have played.

The children who have come back have settled into new routines very well. They are working well in their small groups and appear very happy to be back in contact with some of their friends and with staff. Staff have successfully adapted their practice to support the children, have taught new routines and are very pleased to be back in the classroom. Parents of those children in school have helped us in following morning and afternoon routines to ensure safety. Thank you all very much for your co-operation. We are very pleased that this has been such a positive return to face-to-face schooling.

If your child is in one of these classes and has currently been kept at home, you are able to access a place in school should you wish. Please email the office to give the school a minimum of 24 hours notice, so that we can make any plans and arrangements needed to welcome back your child safely.

We have also been pleased that many of the children working from home have maintained their motivation and are continuing to access home learning. Thank you for your flexibility; phone calls, Padlet contact and Twitter contact shows us that children continue to engage well with home learning. If you require a paper copy of the Padlet work, please contact the school office.

We are very proud of the way that the whole school community has responded to the challenges we face in these unprecedented times.

We do not have any details yet about any further re-opening for children in Years 2 - 5. When government guidance becomes available we will make our plans following this guidance closely and let you know. Please rest assured that the school will keep you informed through the many communication systems.

If you have any questions or concerns, feel free to make contact with the school via email office@wyvil.org.uk

Kind regards

A. Terrey
