Dear Parents and Carers,

Returning to school in September

I look forward to welcoming back all of Wyvil's existing pupils on Thursday 3rd September, with new Reception children joining the school from 7th September and new Nursery children joining the school from 14th September.

For many children it will be almost six months since they were last at Wyvil. Please reassure them that it has not changed much at all and it will be good when we are all back together again to inspire each other, to learn lots and to play together. All the staff are very keen to see them again.

The teachers will explain the new routines that they will need to follow on their first days back. These routines will of course include handwashing and this will happen regularly throughout the day.

The children will notice a few changes around the school. The football pitch has a new astro-turf surface, there is new fencing and planting around the perimeter of the school and the Early Years playground is being refurbished. They will also notice that all their chairs in the classroom face forwards now. Break time and lunchtime with just their bubble will seem different as they will stay separate from the other bubbles. It will take a bit of getting used to but after a few days I am sure life at Wyvil will feel normal again.

The start and finish times have changed and I ask that you remind yourselves of when you have to drop your children off and pick them up.
